

AGS EUROPE FUTURE BRANCH MANAGER x 2

With 4 243 employees across 141 locations in 94 countries, AGS is the leading French group with an international presence in the removals and relocations industry.

Complete client satisfaction is an essential goal underlying the activities of AGS. A key role player in the relocation of company executives, diplomats, members of international organisations and from the private sector, our strength lies in our strong knowledge of the market, our discipline, our client orientation and in our availability. The prosperity of the group is a result of our know-how and the professionalism of our employees.

We are currently recruiting two **Future Branch Managers** to be based in **Warsaw, Poland** and **Madrid, Spain**. Please note that these locations are not the final countries of posting.

POST DESCRIPTION:

Reporting directly to the Branch Manager where the candidate will be based, as well as the Director of the AGS network in Europe, the Future Branch Manager will undergo an intensive training period on the internal world of AGS, which will include:

- Administration (personnel management, accountancy, debt control and recovery)
- Sales (client visits, business development, company representation, quotations, invoicing)
- Technical (asset and inventory management, import and export management, planning)

During this period, the Future Branch Manager will also assist the Branch Manager with the day to day running of the branch as required. Further, the Future Branch Manager will be expected to complete a couple of short-term replacement assignments in other branches across the network (i.e. sick leave or annual leave of Branch Managers).

At the successful completion of the training period, the candidate will have the opportunity to develop a career in the Group. The location where the candidate will be placed after completing the training period is dependent on the needs of the business, and not necessarily the branch where they underwent their training.

CANDIDATE PROFILE:

- **Education:** A relevant qualification in the transport, logistics or sales sector(s).
- **Experience:** Between 2 - 5 years in a Deputy Manager, Sales Manager or Operational Manager position in the transport, logistics and/or removals-relocations industry. Experience with Records Management will be an added advantage, but not a necessity.

Type of Contract: Local Contract of Employment (i.e. fully based on local employment terms in Poland and Spain).

Remuneration: Commensurate with location and candidate experience. The salary offered will be on an all-inclusive basis.
